To Whom It May Concern:

It is with great pleasure that I am writing this letter of recommendation for Mr. Karey Johnson. In his position with the Undergraduate Information Services and Programs Department at Strozier Library, I have the opportunity to supervise and work with Mr. Johnson.

Mr. Johnson has been employed with Florida State University Libraries for approximately one year. During this time, he has proven to be a responsible and contentious employee. Mr. Johnson has been working with diligence on a project to create a plagiarism tutorial that will be viewed by many students on the campus of Florida State University. His work ethic, creativity, patience, and sunny personality make him a wonderful asset to the Libraries. I strongly recommend Mr. Johnson for any endeavor that he wishes to pursue.

If you have any questions or need further information, please contact me via email or telephone.

Sincerely,

G. Suzanne Byke
